

The Contributors

Ihor F. Belenichev — Chairman of the Department for Pharmacology and Formulation of the Zaporizhia State Medical University, Doctor of Biological Science, Professor.

Vitalii A. Bilous — Deputy Director of the Institute for Physics of Solid Body, Materials Science, and Technologies at the National Research Center of the Kharkiv Institute for Physics and Technology of NASU, Doctor of Technical Science.

Valentina I. Bobrova — Professor at the Chair of Medicine of Emergency of P.L. Shupyk National Medical Academy of Postgraduate Education, Doctor of Medical Science, Professor.

Yuri R. Boretsky — Senior Researcher of the Institute for Cell Biology of NASU, Doctor of Biological Science.

Valerii M. Borysenko — Junior Researcher of the National Research Center of Kharkiv Institute for Physics and Technology of NASU.

Nina V. Bukhtiyarova — Assistant Professor at the Department of Pharmacology and Formulation of the Zaporizhia State Medical University, Candidate of Medical Science.

Ivan S. Chekman — Chairman of the Department for Pharmacology and Clinical Pharmacology of O.O. Bogomolets National Medical University, Corresponding Member of NASU and NAMSU, Doctor of Medical Science, Professor.

Tetiana S. Cherepova — Senior Researcher of the Kurdiu-mov Institute of Metal Physics of NASU, Candidate of Technical Science.

Yulia A. Danylenko — Leading Engineer of the Department for Metrology of the Institute for Scintillation Materials of NASU.

Alina V. Demchenko — Deputy Director on Organizational and Methodological Issues of the Teaching Hospital at the Zaporizhia State Medical University, Assistant at the Chair of Family Medicine and Therapy of the Postgraduate Education Faculty of the Zaporizhia State Medical University, Candidate of Medical Science.

Serhii Yu. Didenko — Team Leader at the National Research Center of the Kharkiv Institute for Physics and Technology of NASU.

Galina P. Dmitrieva — Senior Researcher of the Kurdiu-mov Institute of Metal Physics of NASU, Candidate of Technical Science.

Liubov R. Fayura — Researcher of the Institute for Cell Biology of NASU, Candidate of Biological Science.

Nadia O. Gorchakova — Professor of the Department for Pharmacology and Clinical Pharmacology of O.O. Bogomolets National Medical University, Doctor of Medical Science.

Boris V. Grinyov — Full Member of NASU, Doctor of Technical Science, Chairman of the Technical Committee for Standardization TK 99 «Material and Hardware for Scintillation Instrumentation and Equipment for Measurement of Ionizing Radiation», chief researcher of the Institute for Scintillation Materials of NASU.

Mykola I. Ilchenko — Leading Engineer-Researcher of the National Research Center of the Kharkiv Institute for Physics and Technology of NASU.

Olha V. Krasovska — Chief of Department of State Fundamental Research Foundation, Candidate of Economic Science.

Oleksandr P. Kuznetsov — Deputy Director for Innovation of *Dniprotechservice*, R&P Corporation, Candidate of Physics and Mathematics.

Volodymyr Ye. Kutnij — Chief of Laboratory at the National Research Center of the Kharkiv Institute for Physics and Technology of NASU, Candidate of Technical Science.

Liudmyla I. Kucherenko — Chairman of the Department for Pharmaceutical Chemistry of the Zaporizhia State Medical University, Doctor of Pharmaceutical Chemistry, Assistant Professor.

Oleksandr A. Luchaninov — Senior Researcher of the National Research Center of the Kharkiv Institute for Physics and Technology of NASU, Candidate of Physics and Mathematics.

Vadym R. Lyubinskiy — Chief of the Department for Metrology of the Institute for Scintillation Materials of NASU, Deputy Chairman of the Technical Committee for Standardization TK 99 «Material and Hardware for Scintillation Instrumentation and Equipment for Measurement of Ionizing Radiation».

Oleksandr V. Mazilov — Chief of Laboratory at the National Research Center of the Kharkiv Institute for Physics and Technology of NASU, Candidate of Technical Science.

Natalia B. Martynyuk — Chief of Laboratory at *Enzyme*, PJSC.

Anton V. Nosenko – Researcher of the Kurdiunov Institute of Metal Physics of NASU, Candidate of Physics and Mathematics.

Bohdan M. Paduchak – Director of the Sector for Use and Transfer of Intellectual Property Rights of the R&D Institute of Intellectual Property of the National Academy of Law of Ukraine, Candidate of Judicial Science.

Yuri V. Pynyaha – Junior Researcher of the Institute for Cell Biology of NASU, Candidate of Biological Science.

Yuri V. Plisak – Innovation Team Leader of *Dniprotechservice*, R&P Corporation.

Viktoriya A. Polushenko – Ph.D. student of the Economic Informatics Department of the National Academy of Metallurgy of Ukraine, Master of Economic Cybernetics.

Denis G. Pshenichniy – Technical Director of *Grace Engineering*, R&P Corporation.

Olena M. Reshetnyak – Senior Researcher of the National Research Center at the Kharkiv Institute for Physics and Technology of NASU, Candidate of Physics and Mathematics.

Oleksandr V. Rybka – Senior Researcher of the National Research Center at the Kharkiv Institute for Physics and Technology of NASU, Candidate of Physics and Mathematics.

Oleksandr M. Semirga – Researcher of the Kurdiunov Institute of Metal Physics of NASU, Candidate of Technical Science.

Volodymyr I. Shatokha – Vice-Principal for Research and Pedagogical Issues of the National Academy of Metallurgy of Ukraine, Full Member of the Academy of Engineering Sciences of Ukraine, Doctor of Technical Science, Professor.

Liudmyla O. Shpagina – Junior Researcher of the Kharkiv Institute for Physics and Technology of NASU, National Research Center.

Valerii V. Skorokhod – Chairman of the Board of Directors of *Enzyme*, PJSC.

Volodymyr Ye. Strelnitskij – Chief of Laboratory of the National Research Center at the Kharkiv Institute for Physics and Technology of NASU, Doctor of Physics and Mathematics.

Andrii A. Sybyrny – Chief of Department of the Institute for Cell Biology of NASU, Full Member of the NAS of Ukraine, Doctor of Biological Science.

Volodymyr V. Vasyliiev – Researcher of the National Research Center at the Kharkiv Institute for Physics and Technology of NASU.

Oleksandr G. Velichko – Principal of the National Academy of Metallurgy of Ukraine, Doctor of Technical Science, Professor, Corresponding Member of NASU.

Viktor M. Voyevodin – Director of the Institute for Physics of Solid Body, Materials Science, and Technologies of the National Research Center at the Kharkiv Institute for Physics and Technology of NASU, Corresponding Member of NASU, Professor, Doctor of Physics and Mathematics.

Oleksandr O. Vyeryovkin – Junior Researcher of the National Research Center at the Kharkiv Institute for Physics and Technology of NASU.

Olga V. Zhikhareva – 1st Grade Engineer of the Department for Metrology of the Institute for Scintillation Materials of NASU.
