

The Contributors

Volodymyr I. Astashkin — Senior Researcher at the Ya. S. Pidstryhach Institute of Applied Problems of Mechanics and Mathematics of NASU, Candidate of Physics and Mathematics.

Pavlo T. Bubenko — Director of the North-East Science Center NAS and MOS of Ukraine, Doctor of Economic Science, Professor.

Stepan F. Budz — Senior Researcher at the Ya. S. Pidstryhach Institute of Applied Problems of Mechanics and Mathematics of NASU, Candidate of Physics and Mathematics.

Viktor A. Danko — Acting Chief of Department at the V. Ye. Lashkariyov Institute of Semiconductor Physics of NASU, Candidate of Physics and Mathematics, Senior Researcher.

Galyna V. Demyanchuk — Director of *Grand Victory Trade*, LLC, Ph.D. student at the National University of State Tax Service of Ukraine.

Tetiana D. Denisyyuk — Junior Researcher at the Institute of Pulse Processes and Technologies of NASU.

Bohdan D. Drobenko — Leading Researcher at the Ya.S. Pidstryhach Institute of Applied Problems of Mechanics and Mathematics of NASU, Senior Researcher, Doctor of Physics and Mathematics.

Inna B. Gagauz — Director of the Center of Kharkiv Technologies Small Business Development.

Mykola M. Gavrilyuk — Deputy Director of the Institute of Plant Physiology and Genetics of NASU, Full Member of NAASU, Doctor of Agricultural Science, Professor.

Volodymyr A. Gusev — Senior Researcher at the North-East Science Center NAS and MOS of Ukraine, Candidate of Physics and Mathematics.

Yuri V. Holen — Researcher at the Institute of Pulse Processes and Technologies of NASU.

Ivan Z. Indutnyi — Chief Researcher at the V.Ye. Lashkariyov Institute of Semiconductor Physics of NASU, Doctor of Physics and Mathematics, Professor.

Vladyslav Yu. Khaskin — Leading Researcher at the Ye.O. Paton Electric Welding Institute of NASU, Doctor of Technical Science.

Maria V. Lykanyuk — Researcher at the V.Ye. Lashkariyov Institute of Semiconductor Physics of NASU, postgraduate.

Svitlana P. Lukyanets — Leading Engineer at the Institute for Scintillation Materials of NASU, Candidate of Economic Science.

Andrii G. Lukashenko — Senior Researcher at the Ye.O. Paton Electric Welding Institute of NASU, Candidate of Technical Science.

Dmytro A. Lukashenko — Junior Researcher at the Ye. O. Paton Electric Welding Institute of NASU.

Volodymyr A. Lukashenko — Leading Engineer at the Ye. O. Paton Electric Welding Institute of NASU.

Viktor I. Minko — Senior Researcher at the V. Ye. Lashkariyov Institute of Semiconductor Physics of NASU, Candidate of Physics and Mathematics.

Bohdan V. Morgun — Senior Researcher at the Institute of Plant Physiology and Genetics of the NASU, Candidate of Biological Science.

Volodymyr V. Morgun — Director of the Institute of Plant Physiology and Genetics of NASU, Doctor of Biological Science, Professor.

Volodymyr P. Oksem — Director of Research Agricultural Production Unit at the Institute of Plant Physiology and Genetics of NASU, Candidate of Biological Science.

Iryna Yu. Pidorycheva — Senior Researcher at the Department for Problems of Innovation and Investment Development at the Institute of Industrial Economics of NASU, Candidate of Economic Science.

Vitalii M. Pochynok — Chief of the Grain Quality Laboratory at the Institute of Plant Physiology and Genetics of NASU, Candidate of Biological Science.

Anatolii R. Rizun — Senior Researcher at the Institute of Pulse Processes and Technologies of NASU, Candidate of Technical Science.

Volodymyr D. Shelyagin — Leading Researcher at the Ye.O. Paton Electric Welding Institute of NASU, Candidate of Technical Science, Senior Researcher.

Petro E. Shepeliavyi — Senior Researcher at the V. Ye. Lashkariyov Institute of Semiconductor Physics of NASU, Candidate of Technical Science.
